MEDICAID MEMO

TO: All Home Health Services providers participating in the Virginia Medical Assistance Program, Managed Care Organizations providing services to Virginia Medicaid recipients, and all holders of the *Rehabilitation* Medicaid provider manual

FROM: Patrick W. Finnerty, Director
Department of Medical Assistance Services

SUBJECT: Update to the *Home Health* Provider Manual and New Prior Authorization Contractor Effective June 5, 2006

UPDATE: HH-PA-06

DATE: 05/05/2006

The purpose of this memorandum is to provide information regarding changes to the preauthorization (PA) process for Home Health Services and to provide an explanation of the resulting updates to the Home Health Provider Manual. Effective Monday, June 5, 2006, KePRO, DMAS' new PA Contractor, will accept PA requests for Home Health services. These changes in the prior authorization process do not apply to drugs on the Preferred Drug List (PDL) or to Medicaid contracted managed care organizations. These services will continue through the current vendors.

KePRO IS THE NEW DMAS PA CONTRACTOR

As indicated in the March, 20, 2006 Medicaid Memorandum, DMAS has contracted with KePRO, an innovative healthcare management solution company, to conduct PA for Medicaid, Family Access to Medical Insurance Security (FAMIS) and FAMIS Plus clients in the fee-for-service programs. KePRO was awarded the PA contract through the competitive bidding process based upon their ability to implement interactive web-based technology (iExchange) and to move the PA submission process from a primarily fax and paper-based process to a speedier, provider-friendly paperless process that the Department believes will reduce providers' administrative burden. KePRO will also maintain a process for providers who prefer to use a traditional paper based system, *i.e.* fax, mail, or telephone. As a result of the new contract, DMAS will be implementing changes to its PA procedures.

CHANGES RELATED TO HOME HEALTH SERVICES

WVMI will continue to process all Home Health pre-authorization requests with a date of receipt up to and including, June 4, 2006. Effective on and after Monday, June 5, 2006, KePRO will accept PA requests for Home Health services. Additionally, KePRO will use InterQual ISX criteria, a McKesson Health Solutions, LLC product when making medical necessity

determinations at the non-physician review level. Supplemental criteria will be used where InterQual does not specifically meet DMAS' Home Health criteria. Refer to the new Preauthorization Appendix D of the Home Health Provider Manual for specific information regarding prior authorization submission procedures. To better serve you, KePRO will be operating with expanded hours of operation, from 8:00 a.m. to 7:00 p.m., Monday through Friday, EST (except on some state holidays).

Training will be provided by KePRO via webcasts on May 12th at 1:00 p.m. If you are interested in participating in the Home Health WebEx training, please send an e-mail to: PAUR06@dmass.virginia.gov. Instructions will be sent back to you prior to the training.

KePRO CONTACT INFORMATION

KePRO will accept requests for PA via iExchange (direct data entry through the web), fax, mail, or phone. The preferred method of submission for requesting PA is through iExchange.

PA REQUEST FORM

Attached to this memorandum is the Outpatient Prior Authorization Request form for paper and fax PA submissions. This form and its instructions identify critical information to process all types of Home Health Services PA requests (i.e., whether received by web, fax, phone, or paper).

CHANGES TO THE HOME HEALTH PROVIDER MANUAL

The attached table shows the changes to the manual. Please download and insert the new pages in your manual and retain the attached table. The changes described in this Memorandum are effective **June 5, 2006**. The most notable changes include: (1) revisions to Chapter IV and (2) a Preauthorization Appendix D has been added.

UTILIZATION REVIEW AND CONTROL

Under the provisions of federal regulations, the Medical Assistance Program must provide for continuing review and evaluation of the care and services paid through Medicaid, including review of utilization of the services by providers and by recipients. Revisions to the prior authorization submission process do not relieve participating providers from program integrity standards as described in Chapters IV and VI of the Home Health Provider Manual.

ELIGIBILITY AND CLAIMS STATUS INFORMATION

DMAS offers a web-based Internet option (ARS) to access information regarding Medicaid or FAMIS eligibility, claims status, check status, service limits, prior authorization, and pharmacy prescriber identification. The website address to use to enroll for access to this system is <http://virginia.fhsc.com>. The MediCall voice response system will provide the same information and can be accessed by calling 1-800-884-9730 or 1-800-772-9996. Both options are available at no cost to the provider.

“HELPLINE”

The “HELPLINE” is available to answer questions Monday through Friday from 8:30 a.m. to 4:30 p.m., except on state holidays. The “HELPLINE” numbers are:

1-804-786-6273	Richmond area and out-of-state long distance
1-800-552-8627	All other areas (in-state, toll-free long distance)

Please remember that the “HELPLINE” is for provider use only. Please have your Medicaid Provider Identification Number available when you call.

COPIES OF MANUALS

DMAS publishes electronic and printable copies of its Provider Manuals and Medicaid Memoranda on the DMAS website at www.dmas.virginia.gov. Refer to the “DMAS Content Menu” column on the left-hand side of the DMAS web page for the “Provider Services” link, which takes you to the “Manuals, Memos and Communications” link. This link opens up a page that contains all of the various communications to providers, including Provider Manuals and Medicaid Memoranda. The Internet is the most efficient means to receive and review current provider information. If you do not have access to the Internet or would like a paper copy of a manual, you can order it by contacting Commonwealth-Martin at 1-804-780-0076. A fee will be charged for the printing and mailing of the manuals and manual updates requested.

PROVIDER E-NEWSLETTER SIGN-UP

DMAS is pleased to inform providers about the creation of a new Provider E-Newsletter. The intent of this electronic newsletter is to inform, communicate, and share important program information with providers. Covered topics will include changes in claims processing, common

INSTRUCTIONS FOR OUTPATIENT ELECTRONIC FAX FORM

This FAX submission form is required for outpatient Prior Authorization Review, Concurrent Review and Retrospective Review. When submitting the fax, please be certain that the cover sheet has a confidentiality notice included.

Please be certain that all information blocks contain the requested information. Incomplete forms may result in the case being denied or returned via FAX for additional information. Only information provided on **KePRO** forms can be entered. Do **not** send attachments or non-**KePRO** forms.

If **KePRO** determines that your request meets appropriate coverage criteria guidelines the request will be “tentatively approved” and transmitted to the DMAS Fiscal Agent for the final approval. Final approval is contingent upon passing remaining enrollee and provider eligibility/enrollment edits. The prior authorization (PA) number provided by the DMAS Fiscal Agent will be sent to you through the normal letter notification process and will be available to providers registered on the web-based program iEXCHANGE (<http://dmas.kepro.org>) within 24 hours (or the next business day) if reviewed, approved, and transmitted to DMAS’ Fiscal Agent prior to 5:30 PM of that day.

1. **Request type:** Place a \checkmark or **X** in the appropriate box.
 - **Initial:** Use for all new requests. Resubmitting a request after receiving a reject would be an initial request also.
 - **Recertification:** A request for continued services (items) beyond the expiration of the previous preauthorization would be a recertification request.
 - **Change:** a change to a previously approved request; the provider may change the quantity of units, dollar amount approved (DME) or dates of service due to changes in delivery or rescheduling and appointment. If additional units are requested for the same dates of service, enter the total number of units needed and not only the increased amount. Any change request for increased services must include appropriate justification, including information regarding new physician orders. The provider may not submit a “change” request for any item that has been denied or is pending.
 - **Cancel:** Use to cancel all or some of the items under one preauthorization number. An example of canceling all lines is when an authorization is requested under the wrong enrollee number.
2. **Date of Request:** The date you are submitting the prior authorization request.
3. **Review Type:** Place a \checkmark or **X** in the appropriate box. Please refer to the Retrospective review policy and procedure for each service detailed information regarding the submission of a Retrospective Review request. If retrospective eligibility, enter the date that the provider was notified of retrospective eligibility.
4. **Enrollee Medicaid ID Number:** It is the provider’s responsibility to ensure the enrollee’s Medicaid number is valid. This should contain 12 numbers.
5. **Enrollee Last Name:** Enter the enrollee’s last name exactly as it appears on the Medicaid card.
6. **Enrollee First Name:** Enter the enrollee’s first name exactly as it appears on the Medicaid card.

Outpatient Prior Authorization Request Form

DMAS/KePRO

DME providers: Only identify the number of units necessary in excess of the established allowable for the time span requested. For example, if 2 cases of diapers are allowed per month and 3 cases are used per month, the overage is 1 case per month. If a timeframe of 6 months is requested by the From and Thru date, then the total Units Requested for the time frame is 6 cases. Place numbers only in the Units Requested block. Units requested as 2/2 months or 100/box/month or 7 days cannot be keyed and will be rejected.

21. **Actual Cost per Unit or Usual and Customary (DME providers only):** Enter information in this column for codes identified in Appendix B as individual consideration (IC) or usual and customary. For IC, enter actual cost per unit less any incentives/discounts or reductions received from the manufacturer. For items identified in Appendix B as usual and customary, enter the provider's usual and customary charge to the generic public. The provider must retain documentation supporting this dollar amount.
22. **Frequency:** Enter the frequency of the visits/service from the physician's order, plan of care or CMN. Not necessary for DME if included under Intensity of Service.
23. **Total Dollars Requested:** Enter the dollar amount requested for items listed as usual and customary or IC in the appendix B. In the Appendix B, each code is listed with a set fee, as usual and customary or IC. The Total Dollars Requested is the total for all units requested in that line. For items listed as usual and customary enter your usual and customary charge to the general public and attach verification of this charge, such as your company's price list or invoice. For items listed as IC enter the dollar amount requested. The provider must retain documentation supporting verification of cost (a manufacturer's invoice, brochure with cost information from the manufacturer, cost estimate on letterhead from the manufacturer, etc.) This cost is per unit of the item being requested, e.g. 1ea, 1 pair, or 1 box of 100.
24. **Dates of Service:** Indicate the planned service dates using the mm/dd/yyyy format. The From and Thru date must be completed even if they are the same date.
25. **Contact Name:** Enter the name of the person to contact if there are any questions regarding this fax form.
26. **Contact Phone Number:** Enter the phone number with area code of the contact name.
27. **Contact Fax Number:** Enter the fax number with the area code to respond if there is a denial/reject.

****Note: Incomplete data may result in the request being denied; therefore, it is very important that this field be completed as thoroughly as possible with the pertinent medical/clinical information.***

The purpose of preauthorization is to validate that the service being requested is medically necessary and meets DMAS criteria for reimbursement. Preauthorization does not automatically guarantee payment for the service; payment is contingent upon passing all edits contained within the claims payment process; the enrollee's continued Medicaid eligibility; and the ongoing medical necessity for the service being provided.
